09.30.2026

Annex 2 **Target product category:** Personal Computer

Corresponding criteria of each program are as follows:

- Green Mark (GM): No.17 Personal Computers (System Unit), No. 59 Notebook Computers, No.66 Desktop Personal Computers, No.18 Monitors

- Eco Mark (EM) : No.119 “Personal Computers Version3”

Table1 Common Criteria on "Personal Computer"

No.	Element	Common/ Partially-Common Criteria items					Remarks
		Green Mark				Eco Mark	
		No. 17	No.59	No. 66	No. 18	No.119	
1	Scope	1	1	1	1	2. Scope	**Common** As far as the scope is identical
2	Energy Consumption	3.1	3.1	3.1, 3.2	3.1	(9) b)	**Partially-Common** **From EM to GM:** Conformity verified via test results from an ILAC/APAC MRA-recognized ISO/IEC 17025 accredited laboratory **From GM to EM:** No additional condition
3	Disassemblability	3.3	3.2	3.4	3.2	(1)	**Partially-Common** **From EM to GM:** No additional condition **From GM to EM:** Conformity verified against EM's "Appendix 1: Product Design Checklist"
4	Battery	4.1	4.3	4.2	4.1	(18)	**Partially-Common** **From EM to GM:** Conformity verified against GM's standard values* **From GM to EM:** No additional condition
5	Heavy Metals, Flame Retardants	4.2	4.1	4.3	4.2	(13)	**Partially-Common** **From EM to GM:** Conformity verified against GM's standard values* **From GM to EM:** Absence of 4 phthalates verified through testing
6	Plating	4.3	-	4.4	-	(1) A13	**Partially-Common**

No.	Element	Common/ Partially-Common Criteria items					Remarks
		Green Mark				Eco Mark	
		No. 17	No.59	No. 66	No. 18	No.119	
							From EM to GM: No additional condition **From GM to EM:** Conformity verified against EM's requirement
7	Material Marking for Plastics	4.4	4.2	4.5	4.4	(1) A23	**Common**
8	Label Removability	4.5	4.5	4.7	4.3	(1) A11	**Common**
9	Hazardous substances in optical panels	-	4.4	4.6	4.5	(16)	**Partially-Common** **From EM to GM:** No additional condition **From GM to EM:** Absence of lead verified
10	Packaging	(vi) in the "Environmental Protection Product Application Review Operation Specifications"				(7)	**Partially-Common** **From EM to GM:** No additional condition **From GM to EM:** Conformity verified against EM's "Appendix 2: Packaging Materials Checklist "
11	Related Laws and Regulations	General requirement				(20)	Common Applicable exclusively from GM to EM

* Testing laboratory requirements shall be the same as those for Item 2 (Energy Consumption)
