

Eco Mark Fee Provision

Article 1 The provision shall define Eco Mark related fees.

Article 2 The fees shall be divided into the following three types:

- 1) Application Fee for Eco Mark Product Certification
- 2) Eco Mark Annual License Fees
- 3) Eco Mark Certificate Issuance Fee (This covers reissuance and additional issuance of a certificate.)

Article 3 The application fee for Eco Mark product certification, Eco Mark license fees, and Eco Mark certificate issuance fee shall be defined in the appendix and published.

Article 4 The application fee for Eco Mark product certification, Eco Mark license fees, and Eco Mark certificate issuance fee shall be reviewed as needed.

- 2 In light of the public interest of the Eco Mark program, the review of fees mentioned in the preceding paragraph shall be made, considering the number of Eco Mark utilizing contractors, transition of sales of Eco Mark products, number of certified products, review of the certification criteria, and other various factors.
